

## Approved Colleges

The following colleges/universities/seminaries, although not accredited, have provided IACCS/FACCS with the required three letters of credit transfer to receive **IACCS/FACCS Approved** status. Thus, degrees from these colleges are accepted by IACCS/FACCS toward teacher/administrator certification with no restrictions.

**Atlantic Baptist Bible College - Chester, VA**

**Crown College of the Bible - Powell, TN**

**Florida Baptist College - Tampa, FL**

**Hyles-Anderson College - Crown Point, IN**

**Landmark Baptist College - Haines City, FL**

**Pensacola Christian College - Pensacola, FL**

**West Coast Baptist College - Lancaster, CA**

If your college is not on this list, or is not accredited by the acceptable accrediting agencies as listed in the IACCS/FACCS Teacher/Administrator Certification Manual, IACCS/FACCS cannot accept degrees from your college toward teacher/administrator certification. Please contact your college and have them contact the IACCS/FACCS Office of Program Services at 954-517-9500 or [ops@faccs.org](mailto:ops@faccs.org) for more information on becoming a **IACCS/FACCS Approved College**.

*There are a number of colleges/universities/seminaries that have been contacted by IACCS/FACCS requesting the three letters of credit transfer, however they have either chosen not to reply to our request, cannot produce the three letters of credit transfer, offer over 6 hours of life experience credit (which is not acceptable to IACCS/FACCS standards), or have refused to provide the letters of credit transfer for philosophical reasons.*
