

What the Bible Means to Me

The Bible is true from beginning to end because it is God's word. It is the Sword of the Spirit and is the way of life we should live. The word "Bible" means book.

The Bible means to me what it would for most people that have accepted Christ as their Lord and Savior. I think of it as God's Word or Holy Bible. When I think of the Bible I think of a cross or Jesus.

I always thought of the Bible when I was little as going to church and sitting there bored because I didn't understand a thing that the pastor said. But now as I have gotten older I have been able to grow spiritually because I can understand and apply the things that I learn to my life. When I have Bible class or go to church, now, I have tons of interest in all stories in the Bible, but my favorite is David and Goliath.

The Bible is filled with stories of all kinds. It has stories about Adam and Eve, Noah's Ark, the Escape from Egypt, King David, Jesus, and all the way down to Revelation. Those are just a few of the stories that are in our Bible. That is what the Bible means to me.
