

## The Lighthouse

The beautiful lighthouse  
with its brilliant shining light  
gleaming dazzling colors  
while guiding boats safely through the night.

The courageous lighthouse,  
brave protector of the sea,  
battles against the fierce storm while leading traveling sailors  
who are now worry free.

The ever faithful lighthouse  
always standing firm and tall,  
a great pillar of the ocean  
inviting one and all.

The trust worthy lighthouse  
safety to those that are lost.  
It has been a friend for decades,  
eternally dependable at all cost.

I really love the lighthouse.  
It's my favorite thing to see.  
It brings a lot of comfort  
to my family and me.

Jesus is my spiritual lighthouse  
leading me through the darkness of sin.

He guides me to Heaven  
so I can forever be with Him!
