FACCS is delighted to offer competitions for FACCS Member Elementary, Middle School, and High School and Homeschool Group students and individual homeschoolers. These competitions are designed for the purpose of allowing students to gain valuable experiences through the process of competition and evaluation. We want your young people to develop their talents and have a platform for their God-given abilities. Thank you for your help and support in achieving this goal.

Registration & Fees

- FACCS competitions are only open to students who are enrolled in a FACCS Member School or Homeschool Group and individual homeschoolers.
- For Member Schools/Homeschool Groups, it is the school's/group's responsibility to register students for competition. Any registration received from a participant separate from the school registration will be declined.
- For individual homeschoolers, it is a parent's responsibility to register homeschoolers for competition. Any registration received from a homeschooler separate from a parent registration will be declined.
- Please follow all registration and entry deadlines. Due to scheduling and judging constraints, late registration entries may not be accepted.
- Fee structure will be determined by competition and membership status. Information regarding fees will be available at the time of registration.
- ALL fees must be paid before participants will be permitted to compete.

Conduct Code

- The conduct of any participant, school representative, parent, or spectator is expected to meet the standard of believers noted in I Timothy 4:12, *"Let no man despise thy youth, but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity."*
- Polite, courteous actions toward others evidencing respect and Christian graces are expected at all times. Patience, kindness, and good sportsmanship will be the rule.
- Groups of students representing their school are also expected to evidence behavior befitting the testimony of their school and Savior. This is true regarding the hours of the competition and the hours of the awards ceremony.

Dress Code

- FACCS feels that participants should adhere to the highest standards of Christian testimony, competition and decorum. Therefore, students are expected to dress appropriately and modestly for all levels of competition.
- Member School participants should dress within the dress code guidelines of the school represented. Homeschool students are expected to dress appropriately for each competition.
- Sloppy, immodest, or inappropriate dress will not be tolerated and will result in the disqualification of the participant from the competition.

Supervision

- It is the school's and homeschool group's responsibility to provide adequate supervision for its students at all times during any competition.
- A good ratio for adequate supervision is one (1) adult supervisor for every six (6) participants.
- Parents may be considered as supervisors; please be sure they are aware of all competition guidelines and expectations for supervision.

Competition Manuals

- Participants are to follow all of the guidelines as stated in this manual.
- There will be revisions from time to time in procedures and expectations. All schools, parent educators, coordinators, officials, and judges will be made aware of the manual version (see top of page) that will be used for each competition.

Competition Rulings

- All FACCS competition coordinators, officials, and judges are aware of competition rules and regulations and are empowered to make decisions as needed.
- Request for Inquiry
 - In the event that there appears to be a discrepancy or concern after the close of the competition, a Request for Inquiry may be filed with the Director of Program Services by the school-level competition coordinator, school administrator, or homeschool parent educator.
 - The Director of Program Services will release a complete method for filing said Inquiry which will be available on the FACCS web site.

Junior Fine Arts Regional Festival

Purpose

- To provide students with an outlet for their God-given talents and abilities and an opportunity to be evaluated by qualified judges.
- To improve and advance the skills associated with the arts.
- To enhance student development of poise and communication under pressure.
- To provide an opportunity for students to meet and encourage students from other Christian schools and homeschoolers.

Description of Event

- The Junior Fine Arts Regional Festival is designed to give students an opportunity to perform and display their God-given talents in the areas of: art, music, and speech.
- The Junior Fine Arts Regional Festival will be held in each region designated by FACCS.
- Prior to the regional festival, each school / homeschool group should conduct its own in-school festival to determine the top students in each category and grade level.
- At the regional festival, participants will receive a judge's evaluation with a numerical rating score.

Eligibility of Participants

- This competition is designed for students in grades 1 – 8 who are enrolled in a FACCS/IACCS Member School or Homeschool Group and for individual enrolled homeschoolers.
- Member School / Homeschool Groups
 - Each Member School/Homeschool group is permitted to enter up to five (5) participants per grade level and category in the Regional Festival, except for Art (4 total).
 - Participants must compete on the grade level in which they are enrolled in school.
 - For Choruses and for High Point Award (State only) schools/homeschool groups are classified by the total number of students enrolled in the 1st-8th grades (not just students participating).
 - **Class A:** schools with a total of 199 students or less in the 3rd – 8th grades.
 - **Class AA:** schools with a total of 200 students or more in the 3rd – 8th grades.
- Homeschoolers
 - For the purpose of FACCS competitions, a homeschooler is one:
 - who is not enrolled full-time in any type of school (Christian, private, charter, public, online, or distance learning) for academic purposes,
 - whose parent or guardian has registered with the local school district home school education office, and
 - who is not enrolled in a FACCS/IACCS Member School or Homeschool Group.
 - Homeschoolers are required to enroll at least 8 weeks prior to the event, follow the registration and payment procedures, conduct code, dress code, supervision requirements, and eligibility for multiple-entry guidelines for each competition.
 - The following age-based chart will be used to determine into which grade/level a homeschooler may enter in FACCS competitions. An active school year runs from September 1st – July 1st:
 - **1st grade:** student is six (6) years old on Sept. 1 of the active school year.
 - **2nd grade:** student is seven (7) years old on Sept. 1 of the active school year.
 - **3rd grade:** student is eight (8) years old on Sept. 1 of the active school year.
 - **4th grade:** student is nine (9) years old on Sept. 1 of the active school year.
 - **5th grade:** student is ten (10) years old on Sept. 1 of the active school year.
 - **6th grade:** student is eleven (11) years old on Sept. 1 of the active school year.
 - **7th grade:** student is twelve (12) years old on Sept. 1 of the active school year.
 - **8th grade:** student is thirteen (13) years old on Sept. 1 of the active school year.

- Each individual participant may enter:
 - up to two (2) total art entries in different art categories, and
 - up to five (5) total performance (music/speech) categories (any combination of individual or group categories is permitted)
- Each school / homeschool group is permitted to enter a limited number of participants and groups per category and grade level. *See each category for entry limitations.*
- Individual homeschooler registrations will be accepted until the maximum number of school participants in a grade/category is reached on a *first come, first served basis*. After that, the grade/category will be closed to homeschoolers. *i.e. Only five (5) fifth grade vocal soloists are permitted to register per school, therefore only five (5) total fifth grade individual homeschooled vocal soloists will be permitted to register.*
- For Member School participants, the grade in which the participant is currently enrolled in school is the grade level in which he/she must compete. If a student was retained or advanced a grade in school, that participant may not compete in the grade he/she “would” be in had the retention/advancement not taken place.
- Participants may not enter two groups from the same school in the same category (i.e. enter two Elementary Small Vocal Groups).
- Elementary students may “play/perform up” into a Middle School division in any group category, but may not participate in both the Elementary and Middle School division of the same category. (i.e. a 4th grader may “play up” into the Middle School Band, but may not also participate in the Elementary Band). The same is true for Vocal Duet, Instrumental Duet, and Duet Acting - students may “perform up” one grade/level to the highest grade/level represented in the duet.
- Six Grade Participation: In all group categories (Band, Chorus, Vocal and Instrumental Ensemble, Vocal and Instrumental Small Group, Vocal and Instrumental Duet, Reader’s Theatre, and Choral Speaking) sixth grade students are permitted to participate in either the Elementary OR the Middle School category, but not both. There is no longer a limitation on the percentage of 6th graders that may participate in Elementary group categories.
- If a group participates in the Regional Festival and qualifies for the State Competition, it is required that they maintain the minimum number of participants for the State Competition. If the number drops below the minimum requirement for the State Competition, the group will be assessed a 5 point deduction for not following proper guidelines for the group number. Substitution is permitted in this case.

Awards

- All participants will receive a participation certificate.
- The following ribbons will be awarded to participants/groups based on the judges’ combined evaluation score:
 - Blue Ribbon – Superior rating (90-100% of total possible points)
 - Red Ribbon – Excellent rating (75-89% of total possible points)
 - White Ribbon – Good rating (60-74% of total possible points)
- The participant/group with the highest or 2nd highest rating score in each grade level and category who receives at least an “Excellent” rating at the Junior Fine Arts Regional Festival will be invited to participate in the Junior Fine Arts State Competition. See the Junior Fine Arts State Competition section following for more details.

Art

Art Guidelines

- Each participant may enter up to two (2) art pieces in different categories.
- Each school / homeschool group may submit up to four (4) art entries per grade level and category; HOWEVER no more than eighty-five (85) total art entries are permitted per school.
- Schools are encouraged to have their own art fair prior to the Junior Fine Arts Regional Festival and then submit their students' best work.
- Each regional festival host school must provide their own method of delivery, set-up, display, and pick-up of art work. Mailed/shipped artwork will not be accepted at the Regional or State level. Failure to abide by these specific guidelines will result in the entry not being evaluated.
- Each art entry must:
 - be the original creation of the participant alone, but the participant may receive nominal advice and instruction,
 - have been created since the last FACCS Junior Fine Arts Regional Festival,
 - reflect wholesome and godly values; however, entries are not restricted to sacred themes,
 - be clearly labeled on the back of the entry with the participant's name, category, grade level, school name and address,
 - **two (2) judging sheets and artist's idea statement must be submitted with each entry. The student portion of the judging sheets must be completed. The artist's idea statement must be completed entirely and signed by the student..**
- Participants should do original drawings or paintings from imagination or actual life. However, working from a photograph taken by the participant is allowed. Photographs taken by others may be used if the participant has strived to be creative in his interpretation of the photograph, rather than trying to copy it exactly. Any photograph used must be included with the artwork. Specifically in 6th, 7th, and 8th grades, there must be a significant change, at least 40%, in the artwork when using another person's photograph.
- Replication of an existing piece of artwork (drawing, painting, sculpture) is strictly prohibited and is grounds for immediate disqualification. However, scaled drawings, paintings, or sculptures of buildings or famous monuments are permitted.
- The same art project content/theme may not be submitted by more than one (1) participant from the same school in the same category/same grade. *i.e. A school cannot submit more than one fourth grade Monochromatic Drawing of the same flower.*
- Matting/Framing:
 - All two-dimensional work must be either matted or mounted.
 - Matted: artwork is properly attached BEHIND the window portion of an appropriate mat board. Mat board is the most suitable matting material and should include a minimum 1" border with a neatly cut window. Mats do not need to be professionally cut, but cutting should be neatly executed. Professionally cut mats are permitted. Matted artwork should be placed in a secure and stable frame or may be placed on a foam core or cardboard support.
 - Mounted: artwork is properly placed ON TOP OF a backing material. The artwork must be securely attached and centered on a suitable backing. Borders of 1" to 2" are sufficient for most works in order to achieve a balanced appearance. Examples of appropriate mounting materials include but are not limited to: mat board, poster board, card stock, and construction paper. Work may then be placed in a frame.
 - Framing is permitted, but not required. If the work is framed, it must be properly secured and may not include a glass or plastic covering of any kind when being judged.

- No art of any kind may be covered by glass or plastic when displayed for judging. Art may be covered for protection during transportation, however it must be uncovered by the participant before the judging begins.
- While elaborate matting, mounting, or framing will not positively affect the score; however sloppiness of any kind will negatively affect the score.
- Failure to follow the above guidelines or specific category guidelines as listed in the Appendix on the Art Rule Infraction Checklist will result in a 5 point deduction for each infraction.

 - Readers’ Theatre is more closely related to characterization and acting, while *Choral Speaking* is basically a speaking choir with many voices.
 - The emphasis of Readers’ Theatre is the dramatized development of a text via visual elements and the spoken interaction of individual performers.
 - The emphasis of *Choral Speaking* is the creative use of the voice (vocal variety, word color, etc.) in a choral manner to reinforce the meaning of the text. *Choral Speaking* is primarily an auditory presentation, not a visual presentation.
- **One-Act Play**
