- (o)(1)(a) Must participate in the joint development of agreed-upon procedures to be performed by an independent certified public accountant as required under paragraph (8)(e) if the scholarship-funding organization provided more than \$250,000 in scholarship funds to an eligible private school under this section during the 2009-2010 state fiscal year. The agreed-upon procedures must uniformly apply to all private schools and must determine, at a minimum, whether the private school has been verified as eligible by the Department of Education under paragraph (9)(c); has an adequate accounting system, system of financial controls, and process for deposit and classification of scholarship funds; and has properly expended scholarship funds for education-related expenses. During the development of the procedures, the participating scholarship-funding organizations shall specify guidelines governing the materiality-reportability of exceptions that may be found during the accountant's performance of the procedures. The procedures and guidelines shall be provided to private schools and the Commissioner of Education by March 15, 2011.
- (b) Must participate in a joint review of the agreed-upon procedures and guidelines developed under sub-subparagraph a., by February 2013 and biennially thereafter, if the scholarship-funding organization provided more than \$250,000 in scholarship funds to an eligible private school under this section during the state fiscal year preceding the biennial review. If the procedures and guidelines are revised, the revisions must be provided to private schools and the Commissioner of Education by March 15, 2013, and biennially thereafter.
- (c) Must monitor the compliance of a private school with paragraph (8)(e) if the scholarship-funding organization provided the majority of the scholarship funding to the school. For each private school subject to paragraph (8)(e), the appropriate scholarship-funding organization shall notify the Commissioner of Education by October 30, 2011, and annually thereafter of: (I) A private school's failure to submit a report required under paragraph (8)(e); or (II) Any material-reportable exceptions set forth in the report required under paragraph (8)(e).
