

The following lists are comprised of the entire collection of spelling words that could be used at the FACCS Regional and State Spelling Bees in 2018. Participating schools and home school parents are encouraged to utilize these lists to help prepare students who will be spelling at the FACCS bees.

How did we compile these lists?

- For grades 1-8, there is a mix of both phonetic and sight words. No particular spelling curriculum is used. They have been collected and used by FACCS for over 17 years.
- For divisions 9/10 & 11/12, words are taken from various sources, with a bulk from the Scripps National Spelling Bee Consolidated Word List, 2004 (Beginner, and Intermediate) and from Paideia, published annually by Scripps for the National Spelling Bee preparation.
